Royal Palm Beach Rotary Foundation Update

Our Annual Fund Contribution has been steadily increasing. Our goal for 2015 - 2016 was

set at \$4,620 by our President, Bruce Elkind. We have reached \$4,930 as of March 17th. I would like to thank Rotarians Lynn Balch, Marcia Berwick, Steven Logan Daniel Morales and Diane Smith for their recent contributions to the Foundation.

We still have another 3 months to go so let us see if we can match \$6,200 which was our contribution total for 2014 - 2015. Contributions can be made online or by check made payable to Rotary Foundation.

Update provided by Foundation Chair, Sarda Bhandary (Dr. B.)

2015-16			
4,620 USD GOAL	107% ACHIEVED	133 USD PER CAPITA	4,930 USD YEAR TO DATE

Rotary Foundation

Rotary Foundation is a not-for-profit corporation that supports the efforts of Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions from Rotarians and friends of the Foundation who share its vision of a better world.

The Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary, it taps into a global network of Rotarians who invest their time,

money, and expertise into Rotary International priorities. These priorities include eradicating polio, promoting peace, fighting disease, providing clean water, saving mothers and children, supporting education and growing local economies. Foundation grants empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

When you give to the Rotary Foundation, you support Rotary's work across the world and help ensure our future. You can choose where to direct your donation and how you wish to give. Recognition is offered at many giving levels.

Feature News: Health Care Promotion in Uganda

From the April 2016 issue of The Rotarian

“This was a gift from God.” Stephen Mwanje remembers those words, spoken by a sick man who had just received free treatment from a doctor at a Rotary-led Family Health Day in Uganda last fall. “He never thought he would get the medical attention he needed,” explains Mwanje, a member of the Rotary Club of Mukono, Uganda, who made that man’s care possible.

In 2010-11, Mwanje was governor of District 9200, which then included Ethiopia, Eritrea, Kenya, Tanzania, and Uganda. As he was

researching options to address Uganda’s lack of health care, he crossed paths with Marion Bunch, an American Rotarian who had founded Rotarians for Family Health & AIDS Prevention in 2004. Their collaboration resulted in the country’s first free health clinic, organized by Mwanje in 2011.

Uganda, Nigeria, Ghana, and South Africa now hold Rotary Family Health Days once or twice a year. Local partners finance up to 80 percent of the budget for the health days, making the program sustainable. The clinics last two or three days and are staffed by volunteer health professionals who provide a wide range of services and treatments to anyone who shows up. More than a million people have been treated with the help of thousands of Rotary volunteers. Because of Mwanje’s commitment to health care in Uganda, the country also has its first oncology clinic, which was funded by a Rotary grant.
